Don't miss this opportunity to see the exciting art that is happening right here in Rocklin. Ten fabulous local artists will be teaming together to put on quite a show. We hope you will stop by at this free event, and support the arts!

Well-known artist, teacher, and host of the Art Revealed Show, Gayle Rappaport-Weiland will be at Finn Hall celebrating her 22nd consecutive tour. In addition, Andrea Martin is showing her delightful watercolors, oils and mixed media artwork. Joining them will be Craig Johnson with his award winning photography. Jennifer Hendricks Black is presenting her functional and unique handcrafted pottery. Tara Beaton will have her latest pieces of dynamic jewelry created from local stones and beads. Also at Finn Hall, Linda Hoschler will be displaying her vibrant artistry in glass.

Gini Crepps, mixed media artist and owner of Gallery IQ, will be showing her exquisite paintings on the tour for the first time this year. Three other artists are joining her at the gallery. Barbara Wheeler designs one-of-a-kind dichroic glass jewelry pieces. Connie Rodriguez is a contemporary artist who plays with acrylic, watercolor and mixed mediums to create stunning work. If you want to see glass in many forms, come see the eclectic art of Trisa Swerdlow.
