

“The first time I saw your art work, I couldn't pull myself away. I was combining thru Facebook and came across your breath-taking Angel Paintings. The Angels spoke to me and I was compelled to “find” you. There was an indescribable force that lead me to you. I felt it was my duty to present you and your “Angelic” presence to my viewers. Not like a, “Here's an incredible Central Coast Artist”...but more like the “emotion” of your paintings. For that reason, I created a new segment titled, “What is Our favorite Artist Up to Now?” I love to revisit you and your art and of course..... to unselfishly share. Naomi Westgard, TV HOST & REALTOR of, “The Hottest Homes on the Central Coast...with Naomi!”

## A Message to My Friends

Dear Friends,

I am now a full time resident in Pismo Beach, CA. My first project to paint in my new home was “Harmony of Love” for <http://cowparadeslo.com>, she now resides in Harmony, CA. “Harmony of Love” would be grateful for your vote, visit and a selfie to help spread the love. My fashion scarves created in collaboration with VIDA were exclusively featured on HSN, [The List](#) with Colleen Lopez. You can also visit my on-line curated shop to see and purchase my merchandise and newest earring line all designed by me (<http://shopvida.com/collections/gayle-rappaport-weiland>). I have traveled to New Zealand with my amazing daughter and proved anything can happen when I sky dived. Thanks again for another successful studio tour. Your support does not go unnoticed. Hope to see you in a class soon. Keep me posted on your art needs.

Best Wishes for a New Year that is filled with health, wealth and good fortune.

My best wishes, artfully, *Gayle*
