
"I am the proud and very enthusiastic, long time collector of Gayle's stunning and inspirational art. I currently own 25 plus of her fantastic paintings and am always excited about the next one! Gayle definitely stands out in the Art World and I look forward to adding to my extensive collection. Not only is she a wonderful artist but a teacher as well...I have taken many of her classes and gained an incredible amount of knowledge with her enthusiastic and supportive method of teaching." -KB Brooks , Certified Master Herbalist / Holistic Health Practitioner, Owner, Designer & CEO of Herbal Harmony .

A Message to My Friends

Dear Friends,

I am so grateful for your support. The years are going by so quickly and truly because of you they get better. My goal is to live my life sharing my passion and my dreams. My #angelwithin collection has helped me to do just that. The connections I have made this year just feel right. I continue to host my Art Revealed Show revealing art to you in mini-views. Join me at a class, art event or on social media and we can manifest the energy of art together. Please do stay in touch. You are all the wind beneath my wings.

Wishing Health , Wealth and Good fortune in the New Year.

My best wishes, artfully, *Gayle*
