## A Message to My Friends

Dear Friends,

It has been a wild and wet winter here. I hope you all are doing well. I have spent a lot my time in my warm and cozy studio creating. Loved meeting so many new students and seeing my veteran students again in February. There are more classes for the spring. We have also added new classes to the brochure. I totally enjoyed doing a demonstration and being the juror for the Rocklin Fine Art Show. See a full class list at: [www.grappaport.com](http://www.grappaport.com). Let's continue to visit on **social media platforms**. I have two private groups, one for my **VIP Collectors and Students**, <https://www.facebook.com/groups/gaylerappaportweilandfineartsvipcollectorsstudents>, and the other for my **Angel Within** arts lovers, <https://www.facebook.com/groups/angelwithinart>. Ask to join.

I want to thank you so much for supporting my art journey. Please let me know if you would like to purchase art, make an appointment for a coaching session, critique, or to have me individually work with you as you pursue your art career. I appreciate my **supportive galleries**. Your phone calls, messages, emails, and love are appreciated. Please let me know if you any art needs and questions.

Artfully, *Gayle*

*"Gayle's art in my healing space uplifts and relaxes my massage and craniosacral clients each time they visit. She created a beautiful 'Angel Within' painting for me, and my clients enjoy having an angel looking over them. I have some of her wonderful work in my home, as well."*
